FOUNDERS

One cold December day not so long ago, a group of students met in a drafty, dimly lit hallway to initiate the first student-founded law journal at the University at Buffalo School of Law. To make the dream a reality took months of organization, planning, dedication, and the work of many hands. The publication of this, the inaugural edition of the *Buffalo Intellectual Property Law Journal*, is the fulfillment of that dream. The *Journal* gratefully acknowledges the tireless efforts of those who started it all.
