CALL FOR PAPERS

CIRCLES - is an interdisciplinary journal published by the University at Buffalo School of Law, the Department of Comparative Literature and other interested students. We provide a forum for exploring the *legal and social challenges* facing women of diverse races, classes, and cultures, and invite all scholars and artists to submit their work. Your contributions (articles, commentaries, poetry, fiction, book reviews, paintings, etc.) should tackle women's lives from a legal, political or artistic perspective and further our understanding of each other.

All written submissions should be double-spaced, submitted in triplicate and, if possible, submitted on disk using WordPerfect 5.1. Please enclose a bibliographical note and a brief abstract for longer submissions. Because the selection process is anonymous, your name, address, and phone number should not appear on your submission.

The deadline for the Fall 1994 issue is November 30, 1993. If you wish to make our fall issue an exciting one, send submissions to:
