CALL FOR PAPERS

DEAR PROSPECTIVE CONTRIBUTORS:

CIRCLES: The Buffalo Women's Journal of Law and Social Policy is actively seeking submissions of scholarly works, particularly those concerning legal issues and their effects on women, creative writing and artwork.

CIRCLES is in its sixth year of publication and national circulation, and is an interdisciplinary journal published by the University of Buffalo School of Law. We provide a forum for exploring the legal and social challenges facing women. **CIRCLES** publishes scholarly articles, student-written notes, book reviews, commentaries, prose, poetry and artwork. We are seeking to publish material that illuminates women's lives and furthers our understanding of each other.

All written submissions must be double-spaced, submitted in triplicate and submitted on disk using Wordperfect 5.1. Please enclose a biographical note and a brief abstract for longer submissions. The selection process is anonymous; therefore, your name, address and phone number should appear on a separate title page and not on the submission itself. Artwork should be submitted in photograph or slide form.

Submissions are accepted on a rolling basis. Please send submissions to:
