CALL FOR PAPERS

Dear Prospective Contributors:

CIRCLES: The Buffalo Women's Journal of Law and Social Policy is actively seeking submissions of scholarly works, creative writing, and artwork for the January 1998 issue.

CIRCLES, currently in its fifth year of national circulation, is an interdisciplinary journal published by the University at Buffalo School of Law. We provide a forum for exploring the legal and social challenges facing women. **CIRCLES** publishes scholarly articles, student-written notes, book reviews, commentaries, prose, poetry, and artwork. We are seeking to publish material that illuminates women's lives and furthers our understanding of each other.

All written submissions must be double-spaced, submitted in triplicate and submitted on disk using WordPerfect 5.1. Please enclose a bibliographical note and a brief abstract for longer submissions. The selection process is anonymous; therefore, your name, address, and phone number should appear on a separate title page and not on the submission itself. Artwork should be submitted in photograph or slide form.

Submissions are accepted on a rolling basis and must be received by **April 1, 1997**. Please forward submissions to:
