LIBRARY CONFERENCE ROOM NAMED FOR MARJORIE MOORE MOHUN
A donation from Michael Mohun, Class of 1980, has been used to refurbish the UB Law Library's main floor conference room. Mohun, of the Buffalo law firm Brown & Mohun, has established the room in honor of his mother, Marjorie Moore Mohun.

The Mohun Conference Room will continue to be used for law student group study sessions, employment interviews, research and writing conferences, and library meetings. According to Associate Dean Ellen Gibson '80, Law Library Director, "This gift has filled a tremendous need. After 20 years of hard use, the conference rooms frankly were an embarrassment. Now, our most popular room is one of which we can all be proud."

"I'm very grateful to Mike, my classmate, for his generosity."
