For the last 20 years, UB Law School has counted phonathon volunteers to call alumni/ae and ask them to support the annual fund. Their enthusiasm and persuasiveness contributes greatly to the extraordinary success of our annual appeal, helping to raise critically needed funds. This year’s goal is $500,000.

One of our most effective fund-raising programs has been the phonathon, traditionally held at downtown law firms several evenings a week during October. We are greatly indebted to Hodgson, Russ, Andrews, Woods & Goodyear, and Phillips, Lytle, Hitchcock Blaine & Huber, who have graciously hosted us for the past decade. In addition, during the winter months, many alumni call from their own offices.

Members of the Leadership Gift Committee receive the Law School’s special gratitude. They have contributed $250 or more, and solicit gifts of $250 or more.

The Law School deeply appreciates having so many dedicated volunteers. Some are new, others have been donating their time for many years. They are all to be congratulated for helping the Law School raise the resources it needs to launch new initiatives, such as the New Curriculum, and maintain its edge in the face of stiff competition and state funding cuts.

If you would like to volunteer, please call Assistant Dean Deborah Scott at (716) 645-6429.
