The 20-year reunion of the Class of 1980 enjoyed one of the greatest turnouts in recent UB Law history. Seventy-five classmates were in attendance, including 31 from out-of-town. On Saturday, Michael and Joyce Mohun were hosts for a family pool party at their country home, in Cowlesville, N.Y. Adults and kids enjoyed a chicken barbecue and clam bake, and beautiful sunny weather prevailed. The Mohuns were the perfect hosts. Golf enthusiasts joined Horace A. Gioia, of Falk and Siemer, LLP, in Buffalo, for golf at the Glen Oaks Golf Club. The celebration continued into the evening as classmates reunited for a night of dinner, dancing and reminiscing at the Buffalo Yacht Club.

The class of 1980’s reunion committee was led by Michael M. Mohun, of the Law Offices of Michael M. Mohun, in Cowlesville, N.Y. Everyone agreed that he was a spectacular chairman. "It was an honor to chair the reunion committee," says Mohun. "All of our planning and work resulted in a weekend to remember. In search of all UB Law alumni

Have you ever tried to get in touch with an old classmate, only to find that the last directory is from 1996? Well, your troubles are over. Soon an impressive directory of our alumni will be available to help you locate all your friends, and to help them find you.

The new University at Buffalo Law School Alumni Directory, scheduled for release in November 2001, will be the most up-to-date and complete reference of over 8,400 University at Buffalo Law School alumni ever compiled! This comprehensive volume will include current name, address and phone number, academic data, plus professional or business information (if applicable), fax and e-mail numbers, bound into a classic, library-quality edition.

The Alumni Office has contracted with Bernard C. Harris Publishing Co. Inc. to produce our directory. Harris will soon begin researching and compiling the information to be printed in the directory by mailing a questionnaire to each alumni/a. (If you prefer not to be listed in the directory, please contact the Alumni Office in writing as soon as possible.)

The new University at Buffalo Law School Alumni Directory will soon make finding an alumni/a as easy as opening a book. Look for more details on the project in future issues of the UB Law Forum.
