# Jaeckle Society honors two faithful alumni

Longtime friends of UB Law School have been honored by the creation of the Edwin and Erma Jaeckle Society, an honorary society to recognize individuals who donate more than \$5,000 in one year to the Law School's Annual Fund.

The late Edwin F. Jaeckle '15 is among the Law School's most distinguished graduates. Founder of the prominent Buffalo law firm that bears his name, Jaeckle, Fleischmann & Mugel, Mr. Jaeckle practiced in the areas of corporate, insurance, utility and estate law.

He served as Erie County Republican chairman from 1935 to 1948, and as New York State Republican chairman from 1940 to 1944. He launched the political career of New York State Gov. Thomas E. Dewey, running all three of the governor's victorious statewide races as well as his unsuccessful candidacies for president of the United States in 1944 and 1948.

Erma Hallett Jaeckle, a 1936 graduate of UB Law, has lived for more than half a century in Florida, where she carved out a highly successful career as a trial attorney. But she has maintained close connections with the Law School.

Mrs. Jaeckle has contributed at least \$25,000 annually to the Law School for many years. In addition, she and Edwin jointly made a major gift that resulted in the creation of the Edwin F. Jaeckle Center for State and Local Government. Mrs. Jaeckle also serves as honorary co-chairperson of the school's ongoing capital campaign.

"The Jaeckles personify the highest level of the legal profession and of humanity," said Vice Dean Alan S. Carrel. "The Law School is taking this step because of our enormous respect and admiration for both of them."

Reached at her residence in St. Petersburg, where she maintains an active life in retirement, Mrs. Jaeckle said her continuing connection with the Law School stems from

Edwin F. Jaeckle '15 and Erma Hallett Jaeckle '36.

the satisfaction she took in her legal career. "It was a wonderful field for me," she said. "It was so gratifying to have clients say, 'Oh, thank you. We did not know what to do.' It is a wonderful feeling."

Mrs. Jaeckle was in law school at a time when women were rare in the legal profession, especially in the South. Consistent with national trends, more than half of UB Law's entering class for the past two years have been women, and they are a substantial proportion of practicing lawyers. Mrs. Jaeckle tells of a time recently when she was up in the stacks of a law library, looking down and seeing dozens of women doing research. "I am amazed at all the secretaries that the offices now send over to the library," she told her companion. "Erma, those are not secretaries," her companion replied. "Those are women lawyers."

In accepting this honor, Mrs. Jaeckle affirmed her enthusiasm for the Law School's new curriculum and its ability to prepare students for the world after Law School. She also expressed her admiration for the vision and leadership Dean Nils Olsen has provided.

# Scholarship Awards Help Our Students

The following scholarship awards are provided by generous alumni and friends. Their gifts enable our law students to pursue their goal of graduating from Law School, and help the school retain worthy students regardless of their current financial status.

We are grateful to our benefactors for allowing us to provide a legal education to many talented, hard-working students who would not have had the opportunity to enroll in law school were it not for their generosity.

## They did it for Murph

At the inaugural "Murph," the Bob Murphy Memorial Golf Tournament, Bob's memory was honored by using one of his passions, golf, to benefit another — his commitment to the training of young lawyers. Proceeds from the golf tournament, held Aug. 12, at Tan Tara Golf Club in North Tonawanda, N.Y., will support the Bob Murphy Memorial Trial Competition Fund.

About 60 golfers participated in the tournament, mostly Law School alumni. "Everyone seemed to have a very enjoyable time. People are excited for next year," said James W. Grable Jr. '76, one of the organizers. "We laid the groundwork for bigger, better Murph events in the years to come, to sustain the trial competition fund at the Law School."

Robert M. Murphy '56, or "Murph" to his innumerable friends, was a trial lawyer of the first order. Brash, colorful, and brilliant before a jury, he wove magic in the courtroom.

Murph took over a fledgling trial team program at the University at Buffalo Law School at a time in his career when he had earned the right to play a lot more golf and do a lot less work. He did take the time to play golf, but he dedicated the vast majority of his time to a passion he held closer to his heart: giving back to young lawyers-in-training. He gave thousands of his hours and large sums of his money to the UB Law trial team program. Over those many years, Murph shared his priceless courtroom wisdom with countless lawyers-to-be.

Murph was far too gruff, practical and humble to accept the accolades he so richly deserved. He was quick to scoff at efforts to recognize the time, energy, money and love he gave to the program. All he asked was that others do their best to give back themselves.

On Feb. 15, 2001, Murph passed away after a battle with brain and lung cancer. Days before his passing, too weak to speak or stand, Murph smiled broadly with his characteristic twinkle in his eye when he heard the news that his "kids," a team of Murph-trained law students, won the regional championship of the National Trial Competition. When a new trial team from the Law School won the regional championship this past spring for UB Law's second straight regional title, and then advanced to the top three in the nation in the National Finals in Texas, they did it for Murph.

## Phonathon volunteers 2001

Dedicated alumni and student volunteers have been fundraising for the Law School for almost 25 years. Each year the fall phonathon is a success due to the efforts of volunteers – some of whom call year after year and some of whom are brand new to calling. Our relatively new class reunion giving program has been a great success due to the involvement of volunteers. The Law School is deeply grateful for the time and effort donated by all of these individuals. We especially thank **William E. Mathias II '71** for his outstanding leadership as chair of the 2001–02 Annual Fund.
