Annual Giving

Scholarship awards help our students

The following scholarships were awarded in the academic year 2004-05 by generous alumni and friends. Their gifts enable our law students to pursue their goal of graduating from Law School, and help the School retain worthy students regardless of their current financial status.

We are grateful to our benefactors for allowing us to provide a legal education to many talented, hard-working students who would not have had the opportunity to enroll in law school were it not for their generosity.

"UB Law strengthened my ability to write, think critically, and take risks. The Law School was, and is still, an important venue for talented people who otherwise may not have access to a quality legal education. I want to make sure there will always be a place like UB Law, so that others can benefit from the same opportunities I had."
