Annual Giving

Scholarship awards help our students

The following scholarships were awarded in the academic year 2005-06 by generous alumni and friends. Their gifts enable our law students to pursue their goal of graduating from Law School, and help the School retain worthy students regardless of their current financial status.

We are grateful to our benefactors for allowing us to provide a legal education to many talented, hard-working students who would not have had the opportunity to enroll in law school were it not for their generosity.
