NOTE:

With regard to "One Touch of Adonis: On Ripping The Lid off Pandora's Box" appearing in Volume 22:3, the author, Prof. Glendon Schubert, has requested that lines 10-11 at p. 861 be revised to read as follows:

"John Marshall or a Mansfield would have loved—*usually* is kept most secret. It is not *ordinarily* published, . . ." With regard to this clarification he notes assuredly that "[t]here is no question of fact concerning Tribunal Federal Publication practices—at least, not at the level of generalization, *supra*."
