Jessup Team Among the Top Student Advocates in the World

UB Law Forum
Among the top student advocates in the world

All four of the SUNY Buffalo Law School students who competed at the 2014 Phillip C. Jessup International Law Moot Court Competition placed among the top 30 oralists in the world at the global competition’s recently concluded International Rounds. Two SUNY Buffalo team members finished among the world’s top 10.

The SUNY Buffalo team advanced to this worldwide competition’s “sweet 16” round before its elimination, and it was the only team in the competition to finish with all oralists in the top 50.

The Jessup competition is the world’s largest and most prestigious moot court competition. It focuses on international appellate advocacy in a hypothetical case that is set before the International Court of Justice. More than 620 teams and 2,000 law students from 89 countries registered for this year’s competition. Through a series of regional and national competitions, the field of competitors for the International Rounds was narrowed from 620 to 124.

The SUNY Buffalo team had qualified for the Jessup Cup International Rounds by winning the U.S. Midwest Regional Round in Chicago with an undefeated 7-0 record, ahead of 20 other U.S. law schools. The team comprised third-year students Andrew M. Dean, John D. Land, Jessica L. Noto and Henry A. Zomberfeld. Second-year student Stephanie L. Forman served as the alternate, “of counsel.”

In the International Rounds, held April 6 to 12 in Washington, D.C., the SUNY Buffalo team defeated Columbia Law School, the University of Dar es Salaam (Tanzania) and John Marshall Law School. At the conclusion of the Washington competition’s preliminary rounds, SUNY Buffalo Law was ranked 21st out of the 124 teams and had the fifth-highest overall raw score.

The team then defeated the University of Malaya (Malaysia) in the round of 32 before falling to the University of Ljubljana (Slovenia) in the round of 16.

Two team members, Land and Zomberfeld, finished the competition in the top 10 of all worldwide competitors. Land was the second-highest-ranked oralist, and Zomberfeld tied for seventh place. Among competitors from the United States, they ranked No. 1 and No. 3, respectively. Land had also won Best Oralist in the Chicago competition’s final round.
